Name of Charity	Donation amount	Donation detail	Location
800 Trust	\$11,270.00	Funding for possum traps. They work in the approximately 4,500 acres adjacent to the Matemateāonga range's western boundary. One area being targeted for possum eradication is the Waitiri Conservation Area.	Taranaki
Adventure Specialties Trust	\$10,000.00	Funding towards "Mums on the Move" programmes, to support Mums from families at risk (violence, stress, poverty) overcoming feelings of isolation through building community and developing social, communication and mental health skills. These will be run in partnership with the Salvation Army.	Auckland
Auckland Central Budgeting Consultants Incorporated	\$15,000.00	Funding towards the salary of Financial Mentors to deliver financial mentoring sessions at zero cost to whānau in need with limited income or unmanageable debt. Mentors meet one-on-one with clients and assist with day-to-day finances, planning, debt relief and creditor negotiation.	Auckland
Bay of Plenty Therapy Foundation (Incorporated)	\$15,000.00	Funding towards subsidised counselling sessions. This will provide counselling sessions for children and families who are struggling and do not have the financial resources to pay for counselling.	Bay of Plenty
Big Brothers Big Sisters of Hawkes Bay	\$10,000.00	Funding towards Programme Manager and Mentor Coordinator contractor fees. These roles provide mentor services as such recruiting, screening and training, one-on-one supervision and support.	Hawke's Bay

Big Brothers Big Sisters Wellington	\$8,000.00	Funding towards the cost of 10 youth mentoring matches for 6 months. The programme aims to improve the quality of life for children facing adversity by pairing them with a mentor. Mentors meet with their mentees for one hour each week for at least one year.	Wellington
Breast Cancer Support Service Tauranga Trust	\$10,000.00	Funding towards costs for oncology massage and counselling for breast cancer clients to enhance the wellbeing and quality of their lives.	Bay of Plenty
Burnett Foundation Aotearoa (previously NZ Aids Foundation)	\$10,000.00	Funding towards the purchase of HIV self-test kits. People can face many barriers to HIV and STI testing, so providing access to test kits online, and in discrete and safe locations where at-risk populations already visit, helps to remove some barriers by making testing more accessible.	National
Cambridge Disability Enterprise Incorporated	\$1,978.00	Funding for outdoor lighting. This lighting would provide safety and security for evening events for disabled clients and staff.	Waikato
City Mission Palmerston North	\$20,000.00	Funding towards the City Mission Friendship Centre for Seniors. This provides vital social connection and support. Activities include entertainment, games, fitness, outings and refreshments.	Manawatū-Whanganui

Kindred Family Services	\$10,000.00	Funding for clinical supervision, specialist training and partial salary for a staff member who was a former client. She escaped a life marked by trauma and instability, overwhelmed and emotionally exhausted, she found safety with this charity. She is now working with women and families who have suffered violence and harm as she has.	Auckland
Make A Wish Foundation of New Zealand Trust	\$12,000.00	Funding to enable transformational wishes to be delivered to children who are living with a critical illness. Some of the wishes include internal travel and some wishes include assets. The aim is to bring joy to children and their loved ones and leave a profound and lasting impact.	National
Marlborough Four Paws	\$11,898.00	Funding for the essential vet bills associated with de-sexing the stray and dumped animals in their community. Increased financial pressures on families have resulted in more animals being abandoned.	Nelson/ Marlborough
Maungatautari Ecological Island Trust	\$3,775.00	Funding for a water heater. The facility needs a new water heater to meet health and safety standards. They provide oversight and governance in managing the ecological restoration of Maungatautari.	Waikato
New Zealand Endometriosis Foundation Charitable Trust	\$10,000.00	Funding to develop a new resource (digital and physical copies) that reflects the needs of endometriosis sufferers and the wider community. The new resources will cover topics such as self-management, relationships, diagnosis, fertility, and navigating health systems.	National
Ōkārito Native Plants Trust Board	\$6,214.00	Funding to purchase a new galvanised trailer that can be used as part of the Ōkārito Plant Project. This will be used to deliver plants from the Ōkārito Nursery to planting sites around South Westland. The aim is the restoration and protection of natural ecosystems.	West Coast
Otago Community Hospice Trust	\$5,308.00	Funding for a parenting publication resource to help support children and teens through grief and loss. This provides tools and techniques for parents to use with their children and helps guide parents on the right things to say to their children.	Otago

Pillars Ka Pou Whakahou	\$10,000.00	Funding towards their Mentoring Programme. This programme helps the family create goals/action plans so they can have a stable environment for the whānau as a whole. Once the family is stable, Pillars then matches the tamariki/children aged 5 to 17 years with a trained volunteer mentor who supports them for no less than 12 months.	National
Seabrook McKenzie Trust for Specific Learning Disabilities	\$900.00	Funding for a \$50 travel subsidy for families from the West Coast travelling to Christchurch for professional assessments of Specific Learning Disabilities (SLD) and/or specialist teaching intervention. There is very little support for SLD available on the West Coast.	Canterbury/ West Coast
Stepping Stone Trust	\$20,000.00	Funding towards programmes to help and support children whose parents have a mental illness. They provide early intervention services to children, which can prevent or mitigate the negative impact of parental mental illness on a child's wellbeing and build resilience.	Canterbury
Tamai Sports Incorporated	\$10,000.00	Funding towards the Programme Manager's Salary. This organisation works to remove barriers to participation in sporting activities for tamariki, aged 8-12 years old. They equip, encourage, and empower tamariki and whānau to participate in sport and improve their health and wellbeing. The Programme Manager is responsible for the design and delivery of the programmes.	Canterbury
